## Purpose Statement

Bonclarken exists to provide and promote a Christian environment for inspiration and renewal, worship, education, fellowship, and recreation.

## Medical Information

**Please note:** Medical forms must be completed for each camper each year. Previous medical forms may not be used for this year's camps. A physical conducted by a licensed medical professional is required for each camper. Please mail the signed, completed physical form in time to arrive two weeks prior to the start of camp. Limited medical insurance is provided for the camper while in attendance at camp but does not cover the camper's travel to and from camp.

## Camp Safety

For camper safety and protection, all activities are governed by American Camping Association standards. All waterfront activities are supervised by certified lifeguards. All campers are required to obey the rules posted at the waterfront and are expected to follow instructions of the lifeguards.

## Camp Visitation Policy

Campers may not leave camp for ball games, family visitation, etc. Parents and family are asked not to visit camp during the week. Calls to the Bonclarken office should be for emergencies only. Parents, family, and friends are encouraged to attend camp closing programs.

## Camp Packing Lists

A complete list of items needed for camp will be mailed, along with other camp information, upon receipt of the camper registration form and required deposit, usually in April.
